

ROCKFORD SPINE CENTER

We are the only center in the region to combine the expertise of three fellowship trained spine surgeons, a Mayo Clinic trained physiatrist and a general orthopedic surgeon. We treat the region's most complex spinal cases. Our goal is to get patients back to their active lifestyles as quickly as possible.

Dr. Roh

Dr. Sliva

Dr. Sweet

Dr. Behr

Dr. Walker

Free Community Health Care Talk

State-of-the-Art Spine Treatments and Surgery - What is Right For You Saturday, May 19th

The physicians at Rockford Spine Center specialize in treating complex spinal disorders. Join Dr. Sweet to learn more about your symptoms. Dr. Sweet will discuss spinal disorders and their treatment. He will then answer questions from the audience. This is your opportunity to explore some new treatment options and gain some insight from a fellowship trained spine surgeon who specializes in advanced treatments and techniques.
